Please find attached to this letter a comprehensive list of exchanges, study trips, etc. being organised by the Modern Languages Department for the academic year 2007-08. We would be grateful if you could find the time to look at this list and let us know which one(s) you would like your son/daughter to participate in. For the present, the dates of these trips are provisional, but we will endeavour to let you know precise details as soon as we are able.

In order to express interest in any of these trips, please contact the organiser by email before the end of September 2007. We will then send you a letter with full details and a form on which to register your son/daughter for the trip you have chosen.

Yours sincerely,
