May 14<sup>th</sup>, 2008

Dear Parent,

As you may know, this year's Oundle Lecture will take place on Thursday 19<sup>th</sup> June at 6:00 p.m. in the Stahl Theatre, West Street, Oundle, when Anthony Holden OO will be speaking on the subject of 'Life-Writing: the Art of Biography'.

Mr Holden, classical music critic for *The Observer*, is the author of a large number of excellent biographies covering (for example) the lives of Shakespeare, Olivier and members of the Royal Family. He has also written about his experiences of playing poker professionally.

I am sure the lecture will be both informative and entertaining. The event will be followed by a charity dinner in the Two-acre (formerly Sixth-Form) Club. Tickets for the lecture and dinner together cost £37.50. All profits will be donated to charity.

To reserve your place before this event is completely sold out please write a cheque payable to Oundle School, and send it to me at the following address:

Dr R.J. McKim, Oundle School, Church Street, Oundle, Peterborough PE8 4EE

Tickets will be sent out in June. I look forward to seeing you at the Stahl.

With best wishes,

Richard McKim,  
Sanderson Fellow
