Insurance Cover

I understand that for all trips the school has in place insurance which provides up to £2,500,000 of medical cover and related expenses and which also provides a limited level of personal “no fault” compensation in the event of an accident. I also understand that the school is insured in respect of its legal liabilities (third party and public liability).

[Parents will be familiar with the Holmwoods personal accident cover, which provides for a range of compensatory payments in the event of a permanent loss or disability and which has been made available to all parents. If it has been taken up by parents this is an insurance contract between the insurer and the parent].

I also understand that any extension of insurance cover is my responsibility unless advised differently, in writing, by the School.

Declaration

- I have read the attached information provided about the proposed educational visit and the insurance arrangements.
- I consent to my childtaking part in the visit, and, having read the information sheet, declare my child to be in good health and physically able to participate in all the activities mentioned.
- I am aware of the levels of insurance cover.
- I will ensure that any change in the circumstances that will affect my child’s participation in the visit will be notified to the School prior to the visit.

I agree to my son / daughter / ward taking part in the above stated visit and, having read the information sheet, agree to his/her participation in any or all of the activities described. I acknowledge the need for good conduct and responsible behaviour on his/her part.

Provided I have prior warning I am happy to allow any Parent/Guardian who may wish to join some or all of the trips mentioned above.
