

Oundle School Rugby Fives Club

Annual Report 2010-2011

The Oundle School Rugby Fives Club enjoyed another challenging and spirited season on the Pickard Courts. Winter matches for senior players against Bedford and Bedford Modern proved an ideal platform for the season. Led superbly by Club Captain Tom Hoskins, Oundle notched up wins against Radley, Rugby and Eastbourne College. Once again, the School's annual fixture against the Old Oundleians proved a particular highlight; the School winning by just four points after nearly four hours of Fives.

Oundle are delighted with progress made by some of its younger players. The U16s continue to grow with experience following strong outings against Rugby and Allyn's, and the U14s are playing with enthusiasm and increasing skill following two memorable victories against Derby Moor.

Now in their fourth year, the Pickard Courts are playing better than ever. We were delighted to host this year's British Universities Fives Championships, and it was a great pleasure to welcome back a number of Old Oundleians; Chris Burrows, in particular, continues to make terrific progress within the game.
