Report on Giving 2018/19

Oundle Society

Old Oundelian Donors

2018/19 *

Introduction

The past academic year was another one in which the centrality of philanthropy to the School's mission was profoundly evident. Pivotal improvements to facilities such as the Sports MasterPlan proceeded with substantial funding from the Oundle community and the Foundation also contributed to our wide-ranging Bursaries programme, which supported 106 pupils in accessing transformational educational experiences which would otherwise have been unavailable to them.

You helped us to raise £2.33m in 2018/19: the second highest annual total ever, supplanting last year's nevertheless remarkable £1.91m. Contributions of all sizes comprise this wonderful total, and we are equally grateful for the generous spirit of each and every Old Oundelian, parent, and friend who has helped us to achieve it. It is that spirit which has prevailed down the generations, from Sir William Laxton onwards, and enabled Oundle to be what it is today, and what it will be in the future.

On behalf of all of the children benefiting from the best possible facilities that we can offer them, and those whose places at the School depend on the work of the Foundation, we would like to say a heartfelt thank you.

Matthew Dear
Director of Development
