Legacy Form

Oundle School was founded because of the generosity of Sir William Laxton, Lord Mayor of London and Master of the Worshipful Company of Grocers in 1556 when he endowed a 'Free Grammar School' in Oundle with a gift in his will. Since then, the generosity of supporters who chose to leave a legacy to Oundle has played a vital part in ensuring the School continues to provide the highest quality education to generations of pupils and will do so for generations to come.

If you choose to leave a gift in your will to Oundle you are invited to join the William Laxton Society, through which you can enjoy the benefits of your generosity in your lifetime, and we are able to show our gratitude to you. As a member of the William Laxton Society, you will receive invitations to events and receive news and information relevant to your support, as well as including your name in our donor roll of supporters.

If you have included or if you intend to leave a gift in your will to Oundle School, we would be grateful if you could let us know via the form below.

Completion of this form is not a commitment, only a statement of your present intentions, which will assist us in our development plans. Please be assured that this information will be treated in strict confidence.

Legacies may be used where the need is greatest at the time (for example, Bursaries or Capital Projects). If you have a particular wish please contact us via the details below. We will honour your wishes wherever possible.

Please return completed forms to the address below.
