

OUNDLE
School

Safeguarding

Safeguarding is integrated into the Oundle School and Laxton Junior School ethos and the School is committed to safeguarding the welfare of all those who come into contact with it. We expect all our visitors and associates to share this commitment. If there are any safeguarding issues connected with any person who may attend an event at Oundle, you must bring these to the attention of your host at the School as early as possible in advance of the event. This will enable the School to assess any risk factors and ensure that a timely, appropriate and proportionate plan of action can be put in place.
