Domestic Operatives (DOs) are required to clean all areas of the School including boarding house accommodation, offices, departments, classrooms and some private accommodation in accordance with the Service Level Agreement between the Domestic Services Department and the Boarding & Non Boarding Areas of the School. In addition to cleaning, DOs will be expected to work in the School's laundry, operating the machinery and equipment there.

This role involves a considerable amount of physical effort in that there are frequent periods of standing, walking, climbing stairs, medium lifting of equipment, stretching and occasional heavy lifting. This role involves the carrying and use of equipment on regular basis use as well as some requirement to climb small ladders to clean windows and ledges. DOs are often required to work in warm conditions and use cleaning chemicals.

The purpose of the role is to work as member of a team that provides high standards of cleaning and hygiene in designated areas of the School. This includes the School Laundry where the laundering of pupils' clothing and School items is an integral part of the domestic service provision. This domestic service provision covers both Term time and up to 8 weeks of School holiday time when the School's facilities are rented by outside providers for teaching and training purposes.

Oundle School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment.
