## Class Instructor

Oundle School was established in 1556 and is one of the country's leading co-educational boarding and day schools. The School has 860 boarding and 260 day pupils, with 250 day pupils aged 4 – 11 attending Laxton Junior School. The School has a turnover in the region of £40m and a staff of 760. The School prides itself on being associated with the best in modern independent school education. This would not be possible without the invaluable contribution made by the dedication, hard work and professionalism of the support staff functions.

As well as providing new and improved facilities for the School's pupils, the new Sports Centre facility has been designed to allow increased access to local residents, sports clubs and schools. It includes a large sports hall, 50m swimming pool, 50 station fitness suite, multiple dance studios and café. The new centre also hosts the Schools match-day entertainment for visiting school teams.

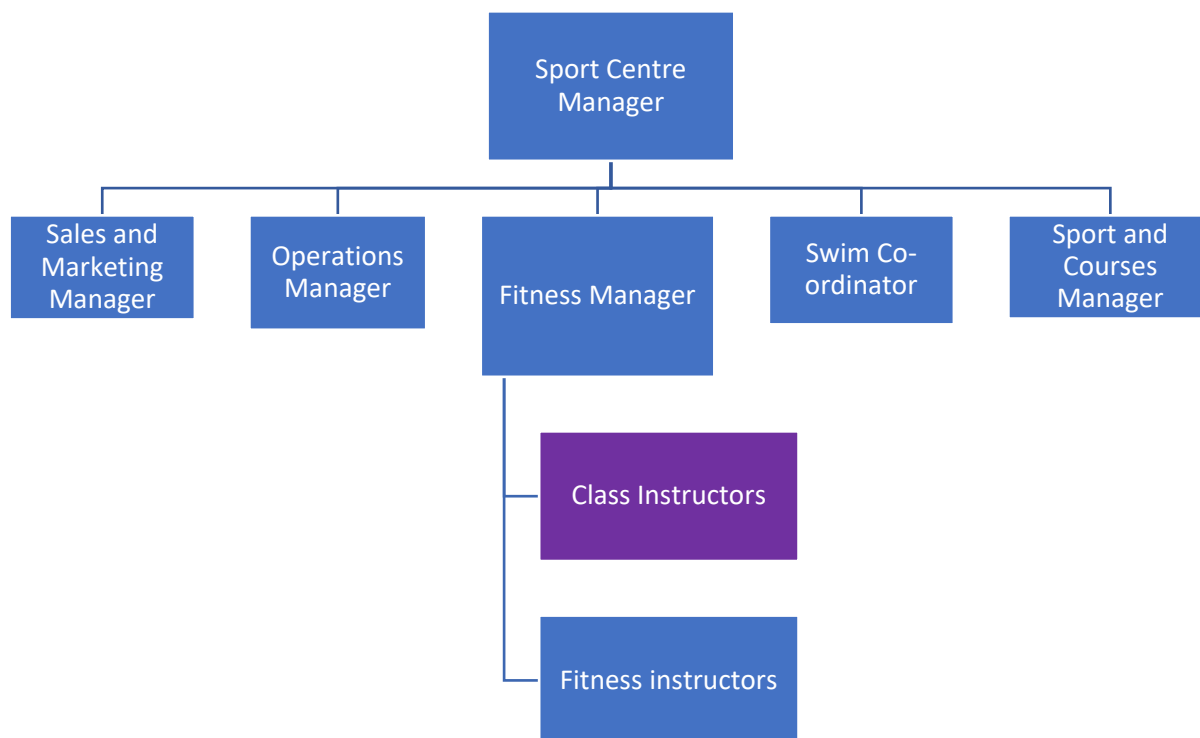

After accommodating the educational and social demands of pupils, the School is eager to develop wider access to the Centre and encourages participation by the local community in a range of sports and leisure activities organised and managed by the Centre staff. The Centre is managed by the School's trading company on a commercial basis. Critical to the success of the Centre is a commercially targeted and client focused staff team. Staff readily accept the responsibility of representing the School and Enterprise company in the local community.

Oundle School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. Successful applicants will be required to undergo child protection screening appropriate to the post including checks with past employers and the Disclosure and Barring Service
