

2027 13+ Sport Scholarship Entry Form

Closing Date: **Friday 16 October 2026**
Assessment date: **Monday 16 November 2026 (9am - 5pm)**

An Oundle Sport Scholar will be a talented games player across one or more of the following team sports played at Oundle: rugby, hockey, netball or cricket. We are looking for young athletes with the potential to excel in at least one of these sports and we anticipate that most will have played their strongest sport at a representative age group level. We also welcome applications from those with a proven sporting ability across a range of sports including athletics, golf, tennis and swimming, although these sports might not be assessed on the day. The Director of Sport is always willing to guide individuals on their potential suitability ahead of submitting an application, usually in conjunction with the respective prep school head of sport.

Please refer to our Sport Scholarship brochure as to how we assess candidates. Where possible, a member of the Oundle sports staff will watch candidates play under match conditions prior to the assessment day. To arrange this, or if you have any questions about Sport Scholarships, please contact Nick Beasant, Director of Sport at Oundle, neb@oundleschool.org.uk

Please return this form to: Mrs Caroline Hope in Admissions. E: admissions@oundleschool.org.uk
